HOMECOMING '89
NOVEMBER 3-5

Seniors

Once I thought I'd never grow tall as this fence;
Time dragged heavy and slow.
But little by little I grew.
And as I grew I came to know how fast the time could go.

Once I thought I'd never go outside this fence;
This space was plenty for me.
But I walked down the road one day,
And just what happened I can't say.
Little by little it came to be
that line between the earth and sky came beckoning to me.

Now the time has grown so short, the world has grown so wide.
I'll be graduated soon.
Why am I strange inside?
What makes me think I'd like to try
To go down all those roads, beyond that line,
Above the earth and 'neath the sky?

Now that all the learnings done,
Oh who knows what will now begin?
Oh its so strange;
The time's so short;
The world so wide.

-Aaron Copland
"Laurie's Song"
from "The Tender Land"

I stepped from plank to plank
A slow and cautious way
The stars about my head I felt
About my feet the sea.
I knew not but the next
would be my final inch-
this gave me that precarious gait
some call Experience.

-Emily Dickinson

"My name is Kathleen Jeans, and I'm not short!!"

Kristina Malone on her way to class.

Elaine Posanka, killing some time in the bookstore before class.

"Hello? Gordon's Liquors? Oh hi! Sr. Therese!"

"We are so cute we can hardly stand ourselves!"
Kathy Joyce and Shawna Curran hamming it up for the camera.

Jen Cavanaugh, trying to get "Ahead" of Michelle Pilott.

"To skip class? Or not to skip class? That is the question.

Dawn Lathrope, escaping from her first graders.

Leslie Fernandez, Daydreaming about Graduation.

"Sue loves Andrew, *THIS MUCH!!*"

"We are going to start our homework, in five minutes."

"What do you mean Rhetoric this morning? I thought today was Thursday!"

"So *HE* said that *SHE* said that I was with . . ."

Chris Galazzo

Maryanne Burns, all dressed up for a night on the town.

"It's ten o'clock, DO YOU KNOW WHERE YOUR DAUGHTER IS?"

If I can stop one heart from breaking
I shall not live in vain.
If I can ease one life the aching
Or cool one pain
Or help one fainting robin
Unto his nest again,
I shall not live in vain.

-Emily Dickinson

How happy is the little stone
That rambles in the road alone;
And doesn't care about careers,
And exigencies never fears;
Whose coat of elemental brown
A passing universe put on
Confirming divine decree
In casual simplicity.

-Emily Dickinson

BACCALAUREATE CEREMONY

COMMENCEMENT 1990

"The most important thing you will ever do in your life is to get to know yourself. To hear, or tune into your own music, as Emerson called it, and then to value what you find, to treasure it, and to nurture it . . . You must have faith, and you must be patient. If you are patient toward all that is unsolved and unknown in your heart, you may find your life unfolding as miraculously as a bulb becomes a tulip."

-Linda Weltner

FACULTY AND STAFF CANDIDS

FACULTY INTERVIEW: SISTER THEREZON SHEERIN, CHAIRPERSON, PSYCHOLOGY.

Where do you see the psychology department going in the "nineties"??

"The psychology department will continue to be a strong department in empirical work. We have always been open to curriculum changes; we will be adding new faculty members, implementing computer use, and lab will soon be a requirement for all majors so everyone can see psychology hands on . . . Psychology helps the student learn about the mind as well as the body, to learn about the whole person: it helps raise consciousness. Psychology helps people think like scientists; it is important to have a different way of looking at things. Psychology is a strong contribution to a liberal arts curriculum."

Faculty And Staff Candids

STAFF INTERVIEW: DR. JUDY BURLING, DIRECTOR OF ATHLETICS.

Where do you think the athletic department will be going in the "nineties"???

"Both physical education and athletics mean to educate wellness and fitness. Fifty-percent of the athletic programs at Regis are skill-oriented, and fifty-percent are fitness oriented; we aim to make people learn through these programs on how they can improve their health.

At Regis we want to see the girls learn to appreciate their body maintenance and take it with them after graduation.

In the near future, we will be implementing computer use to help analyze nutrition, etc. We will also see some new club teams emerging, while the skill level of the varsity teams will increase.

Athletics is an important part of a college curriculum because they provide many opportunities for leadership as a member of a team."

ADMINISTRATIVE INTERVIEW: DR. DAVID CARROLL, DIRECTOR OF CAREER DEVELOPMENT

"In the 'nineties', where do you think the career development office will be moving???"

The office of career development is moving full- speed ahead helping Regis women self-direct toward career choices in a complex and rapidly changing world; it is important that the students be self-assured and self-directed.

The purpose of career development is not to provide a lot of placement, but to provide services, to make people ready to take advantage of their skills by working closely in the liberal arts mission at Regis. We strongly support liberal arts majors; liberally educated people are important for the work world. These people bring a lot of knowledge, flexibility, and adaptability, etc. Liberal arts students are also very trainable; they know more diverse material, have more diverse backgrounds, and have a more long term view of the world.

Regis students should know that they are not alone or strange in their uncertainties. The career office welcomes you.

In the future I think there will be even more jobs available for the liberal arts major and that these same focused and directed college graduates will have an advantage in the work world."

Headed by coach Peter Counsell, the Regis College soccer team's statistics were six wins, ten losses. In October Regis played a gruelling game against Simmons College. After going into overtime Regis was finally defeated with an overall score of 2-3. Regis triumphed over Salve Regina 3-1, Pine Manor 4-1 and Gordon college 6-1 during the 1990 game season.

Captain and senior, Tina Whitman, had two goals, four assists and a total of eight points for the year. With the help of coach Judy Mason, the Regis College Tennis Team ended the season in the fall of 1990 with a record of six wins and four losses. The nine returning members and four new members competed in three tournaments, the MAIAW State Tournament, the New England Championship and the Commonwealth Conference Tournament. The team maintained a winning record at these tournaments and performed exceedingly well. In fact, Regis placed second out of four teams at the MAIAW Tournament. Chise Toyoda, a returning junior, advanced to the finals finally being defeated there by a player from Clark University. Doubles team Erin O'Neill '90 and Rosey Batson '91 also advanced to the finals. Captain and Senior English major Nancy McSweeney teamed up with Junior Myra Manoogian to win the first doubles final match against old time rival Emmanuel College. The final score of their three set match was seven to six tie breaker seven to two, three to six, six to three.

TENNIS

This year Regis sent four team players to compete in the New England Championship at Amherst College. Participating members included Nancy McSweeney '90 playing at first singles and Myra Manoogian '91 playing at second singles. Later, McSweeney and Manoogian teamed up to play first doubles. Also representing Regis at the New Englander playing at second doubles were talented Gloria Gelineau '92 and Liz Desjardins '93.

In the Commonwealth Conference Tournament at Salve Regina Regis played exceedingly well, placing second out of six teams. Gloria Gelineau was eventually defeated in the finals but was a runner up at third singles. At fourth singles Liz Desjardins also advanced to the finals and was awarded a runner up trophey for her excellent performance.

Special thanks to our dedicated coach, Judy Mason and to all the girls who joined the team. Best of luck next year. We'll miss you!

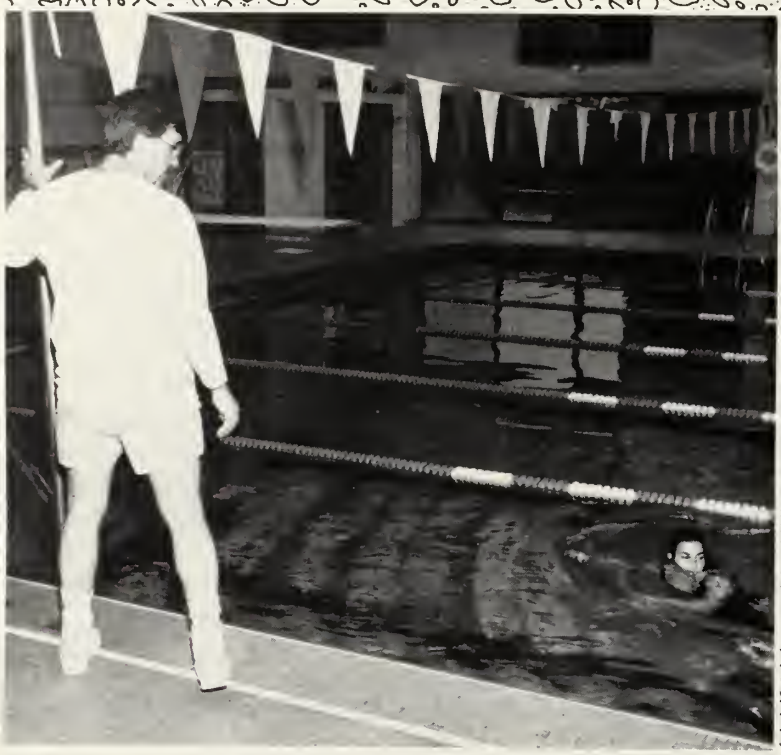
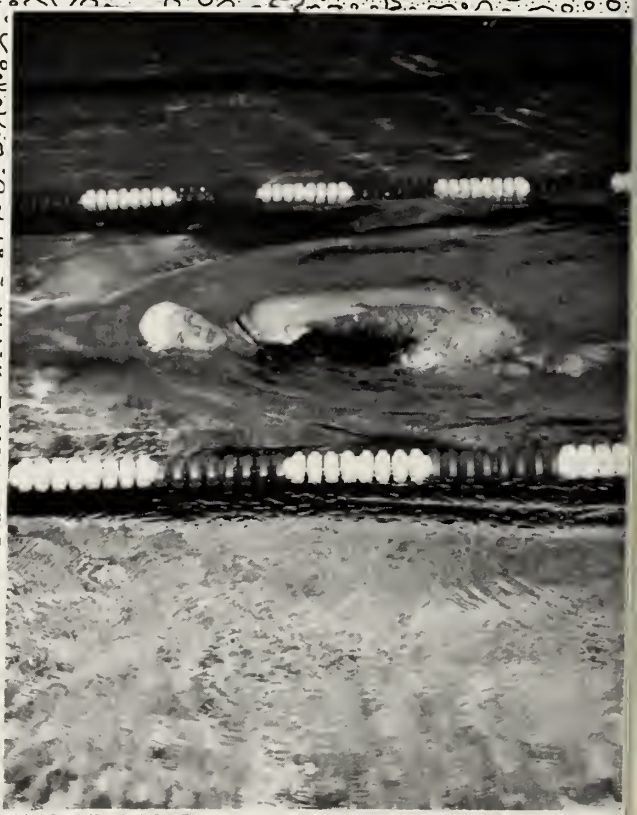
Swimming And Diving





The Regis College Swimming and Diving team had an outstanding season this year under the enthusiastic expert direction of coach Ray Harrington. Overall statistics for the season were fifteen wins and only three losses. The team ranked fifth in Division Three in New England and Twentieth in the National Division, both commendable placements. With senior captains Carolyn Adams and Renata Aylward, the team had a great winning season. Congratulations and best of luck for next year.

A notable and happy win for Regis came in October against long time rival, Pine Manor. The final score was Regis thirty six, Pine Manor nineteen. Exceptional performers were Kathy Thompson '91 and Kara Fitzgerald '93.

Other top runners for Regis included Julie Larner '91, Andrea Dieter '91, Eileen Malone '91, Michelle Tirella '93, Mary Ellen Radican '92, Alexis Lockwood '93, and Anne Mowry '93. All should be congratulated for their efforts and tremendous spirit. Good luck next year.

Congratulations on your upcoming graduation, Kristine! We know that you will be sad to graduate in May and leave Regis, but we also know how much you have grown to love Regis and what a great growing experience college has been for you. You have done a first-rate job in shouldering your academic responsibilities. We are extremely proud of your Dean's List status. It's clear to us that your total commitment to your academic, as well as extra-curricular activities is because you recognized early on that you wanted to "Catch The Spirit". The time and effort you put into making your hoop for Cap and Gown Ceremony demonstrated that. It was the best! We have seen a young girl go off to become a young woman. Enjoy these days and times as they are now, for they will never be quite the same again.

Love Dad & Beth

To our darling daughter, Erin:

Through the years we have watched you grow
And are so proud of the beautiful person you have become,
Which is evident by the kindness and generosity that you show.
And no one loves you more than your Dad and Mom.

Graduation is a special time in your life
Which you have allowed us to share.
We know how hard you have worked, your glory and strife
And we admire your capacity to grow, love and care.

How can we tell you how imporant you are?
Words are inadequate in describing our love.
On this Graduation Day, you are our shining star,
And for your miraculous birth, we thank God above.

Congratulations and good luck!

DAUGHT,

WE ARE SO VERY, VERY PROUD OF YOU!
LOVE, MAMAMA AND DAD

Chris,
Once you were a little girl with big dreams; we've watched you grow and accomplish so many of them. We're all so very proud of you - - - May the best of life's pleasures be still ahead for you.

We Love You
Mom, Jim, Kev, and Daisy, too!

For Ellen Drouin,
This yearbook is the nicest place,
For me to see your pretty face,
An easy trip it hasn't been,
For getting here, you've earned a 10,
You've made me proud, I love you so,
With a BA in hand, it's only go!!!
Love, Mom

If you can trust yourself though others doubt you
and conquer fears that limit what you dare
So you can freely give to those about you
the skills and talents that are yours to share;

If you can live, not for your pleasure only,
but gladly lend your gentleness and grace
To warm the hearts of those whose lives are lonely
and help to make their world a better place;

If you can balance dreams with practicality
and deal in facts, but never lose ideals,
If you can face the harshness of reality
and find the truths that prejudice conceals;

If you can be courageous when defeated
and humble in the face of victory,
Or give your best until a task's completed,
however difficult that task may be;

If you can temper facts with understanding
and seek to gently guide, not to control;
And neither be too lax nor too demanding,
but keep in mind the worth of every soul;

If you can strive, not caring who gets credit,
and work at building bridges and not walls,
Or hearing idle slander, just forget it
and never fail to help someone who falls;

If you can give your help without begrudging
the patience, time and effort you impart
Or look at others' weakness without judging
and see, not with your eyes, but with your heart;

If you can take resources that surround you
and use them in the way you feel you should,
You'll be a woman... and all those around you
will be the richer for your womanhood!

You Are One of Those Rare People
Whose Dreams Will Become a Reality

What makes people succeed
is the fact that they have confidence in themselves
and a very strong sense of purpose
They never have excuses for not doing something
and always try their hardest for perfection
They never consider the idea of failing
and they work extremely hard towards their goals
They know who they are
and they understand their weaknesses
as well as their strong points
They can accept and benefit from criticism
and they know when to defend what they are doing
They are creative people
who are not afraid to be a little different
You are one of these rare people
and it is so exciting to watch you
on your path to success
as you follow your dreams

" . . . Time it was
And what a time it was;
It was a time of innocence;
A time of confidences.
Long ago it must be . . .

" . . . I have a photo-
graph;
Preserve your memories
They're all that's left

To the attentive eye
Each moment of the year
Has its own beauty,
And in the same field,
It beholds, every hour,
A picture which was never seen before
And which will never be seen again.
